Subject: **Grant of Accreditation as per ISO/IEC 17025: 2017**

Dear Sir,

NABL is pleased to inform you the grant of accreditation to your laboratory in accordance with ISO/IEC 17025: 2017 in the discipline of Chemical & Mechanical testing as per the scope recommended by the assessment team with changes as mentioned below.

- Brightness under Paper & Paper products in mechanical scope is accepted as technical competence of the laboratory for the said test parameter was established during the assessment. However, it was inadvertently marked inadequate during the assessment (Ref: Clarification sought from assessment team vide e-mail dated 06.03.2024).

All personnel proposed by the laboratory to report, review and authorize the results are accepted.

Continuation of accreditation is subject to satisfactory annual surveillance. NABL applies an assessment program of 2 years which consists of annual surveillance and renewal assessment after grant of accreditation. The on-site surveillance of the laboratory will be conducted in January 2025.

Accreditation Certificate No. **TC-13302** for Chemical & Mechanical testing with Issue date: **20.03.2024** Valid till: **19.03.2026** is in the process of preparation and will be issued to you shortly on Portal. Please note that as per NABL policy, no hard copy of the accreditation certificate will be provided.

The laboratory is required to upload the PT/ILC participation plan on Portal as required by NABL 163 which will be reviewed and approved as detailed in NABL 163.

Being an accredited laboratory of NABL, you must fulfill all the Terms and Conditions laid down in our document NABL-131 (current issue) at all times during the accreditation period. It is also required to strictly adhere to the NABL 133 requirements for use of NABL symbol. In case you wish to use the "NABL Accredited CAB Combined ILAC MRA Mark" in your reports, please submit request for permission through the portal.

The accredited laboratory shall mention the ULR No. on all the test reports. The details for implementation of ULR No. is given in the below link, you are requested to go through the same.
